General
Disc Golf is played like ball golf using a flying disc. One point is counted each time the disc is thrown and when a penalty is incurred. The object is to acquire the lowest score.

Tee Throws
Tee throws must be completed within the designated tee area. Do not throw until the players in front of you are out of range.

Throwing Order
After teeing off, the player whose disc is farthest from the hole always throws first. The player with the least amount of throws on the previous hole is the first to tee off on the next hole.

Fairway Throws
Fairway throws must be made with the foot closest to the hole on the lie. The other foot may be no closer to the hole than the lie. A run-up and normal follow-through, after release, is allowed.

Completion Of Hole
A disc that comes to rest in the hole's basket or chains constitutes successful completion of that hole.

Out Of Bounds
A throw that lands out of bounds must be played from a point 3 feet in bounds from where the disc went out of bounds. On or over any walking trail is out of bounds. Over any fence is out of bounds. In or across creek is out of bounds.

Penalties
Recreational players will not be penalized for rule infractions. Other players will keep you honest.

Course Courtesy
Be courteous and use good sportsmanship. Remember to pick up trash. Help new players learn the rules and remember the most important rule: the one who has the most fun wins! Tee off and fly freely.
