

HOW TO DONATE

You may donate money towards the purchase of a tree. The Mahr Park Arboretum staff will arrange the planting and marking of the tree along with all future maintenance. Family and friends are welcome to have a ceremony after the tree is planted. The park staff will select the location where the tree is to be planted and provide options of trees for you to select based on what is needed to advance our arboretum status and reforestation plan.

After your tree is planted, the park staff will maintain your tree. However, please remember that a tree is a living organism and can develop a disease and is exposed to weather elements and vandalism. If you notice any damage to your tree, please notify the Mahr Park Arboretum staff immediately. We will take corrective measures as soon as possible. If the tree develops a disease or is severely damaged, it may be necessary to replace the tree.

With a donation of \$350, you will receive a tree and an engraved plaque that will be installed on the tree.

YOUR IMPACT

By donating a tree to Mahr Park Arboretum, you are investing in the future of our arboretum and aiding in the park's reforestation plan.

FREQUENTLY ASKED QUESTIONS

When will the tree be planted?

Mahr Park Arboretum will plant tree donations up to two times a year. Spring and fall seasons are the best times for tree planting.

Can I donate a tree that I have already purchased or grown?

If you wish to donate a tree that you already have, it must be approved by Mahr Park Arboretum staff. Trees will be approved or denied at our discretion. If you want a plaque in honor of a loved one to be placed on the tree, the cost will be \$100. A tree identification plaque will be placed on the tree at no cost to you.

All tree donations are tax-deductible.

Please note, tree donation amounts are subject to change without notice.
